Manual pasta machine with pasta drying rack

Fresh homemade pasta in the blink of an eye

- Sturdy pasta roller for dough kneading and making lasagne sheets
- Attachment for spaghetti and fettucine
- Firm hold on table or countertop thanks to stainless steel table clamp – prevents the machine from slipping
- Metal crank handle with ABS plastic grip for easy processing of pasta dough
- Material of pasta roller and attachment: stainless steel and nickel-plated carbon steel

Practical set of accessories included:

- Space-saving pasta drying rack made of wood with foldable plug-in system, 8 arms with 210 mm length each
- Cleaning brush made of wood for easy cleaning
